

## HONEY FOR YOUR JAR

### Honey drop nr 2

Matthew 4 verse 4: Jesus answered, "It is written: 'Man does not live on bread alone, but on every word that comes from the mouth of God.'" (niv)

This morning Abba showed me the pages of a newspaper. Negative and scary articles covered most of the space. A hand, holding a pair of scissors, appeared and neatly cut out all the depressing sections. Eventually the pages had a lot of gaps like square open windows where the items had been removed. His assurance filled my spirit:

*"People get bombarded with bad news every day. This gives birth to a spirit of negativity, making them depressive and miserable and it is also harming their trust in Me. I however want to change their point of view and give them a wise perspective whenever they get confronted with discouraging conditions."*

*"Now, tell Me what you see when you look through the little windows."*

I looked through the gaps in the newspaper page.

*"Abba I see a huge garden, overgrown with lush green trees and blooming with the most beautiful flowers."*

*"Yes, I want My precious children to discover Me and My promises on the other side of whatever is trying to dishearten them. In the midst of this pandemic they will always be able to find Me on the other side of the window, ready to change stumbling stones into stepping-stones and troubles into new opportunities."*
