

## HONEY FOR YOUR JAR

### Honey drop nr 3

Matthew 4 verse 4: Jesus answered, "It is written: 'Man does not live on bread alone, but on every word that comes from the mouth of God.'" (niv)

I was awakened with these words in the early morning hours.

*"Nothing is impossible for Me."*

In the desert, that has been my destination for some time, I was resting on the highest point of a sand dune. Around me as far as I could see was a landscape of sandbanks, some of them huge and others smaller.

I was actually busy sifting sand with a tea strainer. Next to me was a pile of finely sifted sand with the coarse grains spread out on one side. As I was working my way through one handful of desert sand after the other, I scarcely noticed how the shadow of somebody behind me, was slowly covering my workplace.

My joy was great when I looked up and became aware of my dearest Messiah at my side. He was watching me and a brilliance was coming from his eyes. I was still trying to control my excitement when He said:

*"Nothing is impossible for Me. I even know how many grains of sand are in the desert. Sand dunes will also move on My command."*

The next moment a whirlwind came rushing over the dunes, twisted and turned above a huge dune close by and pushed it a few meters away.

*"What seems impossible to people, is possible for Me,"* He explained.

I was stunned and realised afterwards that our heavenly Creator has the power to move any obstacle that is blocking our way; even when we think we are facing a lost case.
