

HONEY FOR YOUR JAR

Honey drop nr 5

Matthew 4 verse 4: Jesus answered, "It is written: 'Man does not live on bread alone, but on every word that comes from the mouth of God.'" (niv)

I was alone and was walking along a footpath. A fork in the road ahead of me forced me to a halt as I was not sure which way to go. The next moment a road map appeared in my hand and I immediately went down on my knees. It was much more comfortable to unroll the document on the ground to track down my position. Great was my disappointment as I stared at the map. In front of me on the road was just an empty sheet. I quickly turned it over but on the back was nothing either.

It was then when my Father started to explain:

"Many of My children are feeling lost and insecure. Come, follow Me"

"But which direction should I go, Father?" I asked, even more confused.

"When I say: 'Follow Me,' it means to walk in faith, guided by My voice deep inside your spirit-house."

"But what if I do not hear properly or do not hear Your voice at all?" I carried on because I did not want to miss the point.

I waited for an answer, but it seemed as if He ignored my question this time as He remained quiet. After some time, I tried again.

"Abba, I am still waiting because I cannot hear You."

He reacted immediately and a vital lesson flowed from His response:

“You did not hear Me because I never said anything. But you handled it correctly by waiting on Me.

“When you doubt whether you heard correctly or when you hear nothing at all, then you just wait and do nothing.”

“For how long must I wait when that happens, Father?”

“Until you recognize My soft voice in your spirit; then you follow the directions. If you hear nothing, it is not the time to move anywhere. You must wait on My instructions and then follow Me. I will take the lead and show you the way. Remember, I am your Way-maker and will open all the doors.

“Right now, many of you are at a seasonal stop, a lockdown. It may feel like there is a fork in your path with a blank road map. Wait on Me . . . I am here, and my response always timely.”
