

For quite some time people have been in anticipation of a divine outpour of the power of Holy Spirit.

Recently our dearest Abba Father revealed to me that we have entered a new dispensation where the end time church would become more prominent and noticeable. As this will bring about a major leap in the lives of believers, I asked Him to please be clear on how we as His children would be affected.

As so many times before, He reached out by showing me a vision:-

I could clearly see the beautifully-edged colours of a rainbow. They were quite close to me and gradually formed a ring that gently landed on my head in the form of a rainbow crown. I immediately sensed that the crown was actually spinning around my head and that it was going faster and faster. Flashing rainbow colours decorated the surrounding while hundreds of miniature rainbow crowns were released, shooting in all directions and then landing on the heads of many people around me.

To add to this breath-taking experience and revelation that was extending far beyond my understanding, an even more astonishing display unfolded in front of my eyes. Speechless I watched as another massive rainbow crown was positioned in the heavenlies, high above the continent of Africa. Millions of smaller rainbow crowns spiralled from this main source and poured downwards like rain. On reaching the surface of the African landmass they started to multiply in what looked like tiny rainbow-coloured wheels. The little crown-wheels kept on multiplying and releasing more tiny wheels as they rolled across the landscape.

Eventually the entire continent was one huge vibrating scene of spinning rainbow-coloured wheels.

“Abba Father, I know that the colours of the rainbow always remind us of the existence of Your Holy Spirit, but what do You wish to reveal by showing me this display of rainbow crowns?” I whispered when I eventually regained my breath.

“In order to enter into this new dispensation that I am referring to, My children will have to cut a new covenant with Me. They must commit themselves to follow Me whole-heartedly and in radical obedience before a powerful outpouring of My Holy Spirit can take place. Only then they will be able to walk in the numerous promises I gave them.”

After a short silence our Creator Father continued: *“The vision was to express what is waiting on the children of the continent if they convert to a walk of obedience. Sadly, this outpouring of My Spirit cannot happen yet due to so many not willing to humble themselves, obey My voice and love Me with all their heart.”*

I was just listening and for a moment did not know how to react.

“Come, kneel down and receive the crown of a covenant of radical obedience.”

As Somebody was crowning me I could clearly sense the reflection of rainbow colours from thousands of rolling little crowns.

1Pe 2:9 But you are a chosen people, a royal priesthood, a holy nation, a people to be His very own and to proclaim the wonderful deeds of the One who called you out of darkness into His marvellous light.

'Abba Father, as a nation we plead that You will guide us to always seek Your presence in obedience in whatever we do. Amen'
